

# ACTION AVIATION

14 December 2009

## Federal Aviation Administration

To whom it may concern

This letter is to confirm that Action Aviation, advisors to the Saudi Red Crescent Authority, Saudi Arabia, Operators of MD 902 helicopters request your assistance on behalf of \_\_\_\_\_ who is employed in the capacity of Licensed Aircraft Engineer within our project. Mr Burgess holds the necessary EASA qualifications and experience to support his application which is necessitated by our fleet of leased helicopters holding 'N' registration. Furthermore I have known \_\_\_\_\_ for some 20 yrs and know him to be an engineer of considerable skill and Knowledge having employed him in the capacity of a senior licensed engineer at CHC North Denes UK whilst I was the Chief Engineer there I have now employed MR Murray Burgess within our organisation in a similar capacity

Our thanks in anticipation

Sincerely

**Brian**  
**Director of Maintenance ( Rotory )**  
**Action Aviation**
